

***THE INTERNATIONAL CELL DEATH
SOCIETY PRESENTS:***

**The 7th International Cell Death
Symposium On**

***“Targeting cell death pathways for human
diseases”***

Mega City Shanghai, China

Date: June 6th-9th, 2008

Organized by:

**Dr. Junying Yuan, Dr. Jiarui Wu
Dr. Zahra Zakeri and Dr. Richard Lockshin**

We are now preparing for our 2008 meeting in China on Targeting cell death pathways for human diseases. We ask you to join us and show your support for this meeting. We are now accepting registrations for companies and their affiliations. For a material and table request please contact ICDS secretary Victoria Matassov, Tel: 728-997-3450, E-mail: victoriamatassov@hotmail.com, Queens College, Biology Department, 65-30 Kissena Blvd., Flushing NY, 11367.

Prices: \$1000 for paper material excluding table, \$2000 for table. Airfare and registration is paid by the company. Make checks payable to the International Cell Death Society, Queens College Foundation.

The meeting will regroup most of the leaders in the cell death/cancer/aging research field coming from all over the world (France, Europe, USA, Canada, Japan, China). For further information on the meeting contact Victoria Matassov at Victoriamatassov@hotmail.com or Zahra Zakeri at zahra_zakeri@hotmail.com
