

**FIRST INTERNATIONAL SYMPOSIUM ON
MOLECULAR TECHNOLOGY**

Biotechnology in Progress

A Satellite Congress of the International Cell Death Society

**Cell cycle and cell death:
Cellular and molecular perspectives,
Basic and clinical aspects**

30 July-1 Aug 2005 (10-12 Mordad 1384)

Imam Ali Hall, SBUMS, Tehran, Iran

List of Speakers:

Raymond Birge
Karl Fath
Marie-Lise Gougeon
Richard A. Lockshin
Nader Maghsoudi
Walter Malorni
Carlos Martinez
Gerry Melino
Nasrin Moazami
Soraya Smali
Mauro Piacentini
Zahra Zakeri
Boris Zhivotovsky

Sponsors:

Neuroscience Research
Center, SBUMS, Iran
Scientists Without
Borders (Biotech-
nology Group)
International Cell Death
Society
European Cell Death
Organization
Cardiovascular Research
Center, Tums, Iran

Organizers:

Prof. Zahra Zakeri (USA)
Prof. A. Ahmadiani (Iran)
Scientific Manager
Prof. Nader Maghsoudi (Iran)
Coordinator:
Dr. Reza Aghanouri (Iran)
FOR REGISTRATION CONTACT
P.O. 19835-181, Tehran, Iran

Tel/Fax: 0098212422652
<http://www.celldeath-apoptosis.org>

Topics

Apoptosis & cell death
Genetic Stability & cell cycle
Modulators of cell function
Cell cycle control
Cancer & carcinogenesis
Molecular diagnosis
Infectious diseases & cell death
Genetic control of apoptosis
Suppressors of apoptosis
